Subject: Request for redress Race1 Performance Spinnaker Division 3

Regatta Race Committee

Attached is request for redress for Mingara III 3654

I am not sure if this request is within time however I have just become aware of the committees decision regarding Protest 2 (Zeus II & Ratty Tooey) and there decision to consider further requests for redress in this race.

I seek redress as the circumstances are identical to the facts found in Protest No. 2
